Positioned as the middle unit of three, it enjoys a prime location with shops and public transport just around the corner, and the Stoke shops and community centre only a short walk or bike ride away. With easy access to both Richmond and Nelson CBD, this home truly offers effortless living.

Inside, the open-plan living area flows seamlessly into the tidy kitchen and dining nook. The high cathedral-style ceiling enhances the sense of space, while the log burner serves as a standout feature — keeping you warm and cosy through the colder months.

Two spacious bedrooms are located down the hall, complemented by excellent storage options. The bathroom and separate toilet have been recently updated and offer a fresh, comfortable feel.
