## STREAKY BAY ABBATOIR HALAL CERTIFIED ABBATOIR REDUCED NOW \$850K

This property is located on the West Coast of Eyre Peninsula in the popular coastal town of Streaky Bay.

The region is renowned for its high quality agricultural products, and produce through this abattoir is almost all sourced and distributed locally throughout the Eyre Peninsula.

Streaky Bay Meat Service has been in operation for well over 35 years, and provides the finest meat and poultry to local hotels, sporting clubs, restaurants and cafes, as well as other businesses throughout South Australia.

The Abattoir offers an excellent opportunity to add value to an existing farm enterprise, or diversify and value add to an existing butcher shop or outlet. The Abattoir has a unique and added bonus with its "Halal" certification to not only continue to sell through its normal avenues and/or expand the current operation through the export capable slaughterhouse/abattoir and processing plant throughout South Australia.

There is much potential with this opportunity and current quality staffing already in place.
