ELEVATED ACREAGE LIVING WITH VIEWS THAT MAKE YOU PAUSE

Inspection by private appointment only

Around an hour's drive north of Brisbane, set high within a secure gated estate, this private 10-acre property captures sweeping views that genuinely make you pause...

With over 300 acres shared between just seven other homes, you get space, privacy and breathing room, without feeling isolated. From the peaks of the Glass House Mountains across to Moreton Island, the Port of Brisbane and the Brisbane River, the outlook stretches for miles. Sunrises roll in over the water, sunsets drop behind the hinterland, and at night the city lights flicker in the distance.

It's acreage living, but elevated.
