HAVE YOU BEEN DREAMING OF YOUR PERFECT FOREVER HOME?? IF SO YOUR AMAZING BLANK CANVAS AWAITS!!

Have you looking for the perfect large block of land to build your amazing forever home on??

A place where every sunrise paints a fresh canvas for your family's next chapter? A sanctuary with enough room for a magnificent new home...becasue well, you deserve it, a pool, a huge workshop shed plus oodles of yard space for the kids and pets leftover to run amok!!

A spot that lets you design without the shackles of estate covenants or mandatory builders, giving you total creative control? And what if that dream land sits on Brisbane's coveted north side, just minutes from top rated schools, bustling cafés, boutique shops, and leafy parklands?

If you've been scrolling through endless listings, sighing at tiny blocks, or wrestling with restrictive contracts, it's time to stop the hunt. The Patrick D'Arrigo Team is thrilled to unveil a rare, unrestricted parcel that checks every box—and then some. Welcome to 78 C Bray Road, Lawnton, where space, freedom, and location converge to make your ideal home a reality.

Picture yourself stepping onto a 1,198 m² level block, already serviced with power, water and NBN. No hidden clauses, no forced builder partnerships—just a clean slate waiting for your vision. Imagine morning walks to nearby schools, quick trips to the local shopping centre, and evenings spent in the serenity of nearby parklands, all while being a comfortable commute to the Brisbane CBD. This isn't just land; it's the foundation for the life you've been planning.

Property Highlights

- 1,198 m² rear block – generous footprint for a large family home, pool, shed, and expansive outdoor living spaces.
- All services connected – electricity, water, and internet ready for immediate construction.
- Zero estate covenants – complete freedom to choose any builder, design, and finish you desire.
- Prime north side Brisbane location – close to reputable schools (Genesis College, Bray Park State High School, Holy Spirit School & Petrie University), shopping centres, cafés, and tranquil
