DREAM BLOCK - CREEK FRONTAGE!

ABANDONED DREAM LOOKING FOR NEW INSPIRATION!

This will be the best 5 acre block in the area, when you complete the dream. The current owner has moved interstate and the vegetation is taking over!

It is just a couple of kilometres into Coonoongibber Creek Rd, off Mary Valley Rd, half an hour from Gympie and 45 minutes from the coast at Noosa.

- ** It's private!
- ** It's productive!
- ** It has creek frontage!
- ** It has easy access to the forest!
- ** And, it's For Sale!

The current owner made a start. The 3 bay machinery shed is there. The brickwork for a double garage is there. The power is on site. You just have to clear the overgrown vegetation and complete the project.

You will go a long way to find a better block, so it is a job worth doing!

Call the team at Ron Jeffery Realty to arrange an inspection. But, be fast, because there is only one block.
