SEIZE THE ULTIMATE RENOVATION PROSPECT!

Please note Deadline Date has changed. Hidden from view this three-bedroom, double garage "as-is" home is now available for someone to give it the makeover it desperately deserves. Due to circumstances, this home cannot be viewed (please do not go on the property), and vacant possession may also not be possible. However, taking that into account, there is still the opportunity to secure an excellent renovation prospect in a lovely suburb. Close to many amenities this home would be fabulous for someone wanting a value added project to use as a family home or as an investment potential. So, factor in what you need and make an offer. For sale by Deadline closing 26th March 2026 at noon, unconditional offers only (a price indication: \$180,000 plus).
