WHAT A GREAT BLOCK ON OFFER HERE

There is 3500m2 of vacant land ready for you to build on.

The options are plentiful.

You could secure the block for a multi-generational development, room for separate dwellings yet be close to each other, imagine a place where family comes together building family support and connection.

The block is in an excellent location, less than 5 minutes to the stunning beaches of South West Rocks as well as the cafes and shops. Only 2 minutes to the local shopping centre and public transport and the primary school is also just down the road.

This is an excellent development opportunity as it is zoned medium density residential and there was a previous DA approved for a multi dwelling design.

What about the chance to create your own private resort style holiday destination for the family. Direct access to the golf course at the back of the block, nice and private yet close to everything, a place to come and unwind, share holiday memories for generations to come. You get to design your dream place, a unique opportunity.

For the developers, 3505m2 of land in an excellent location surrounded by nice homes in a great neighbourhood with peaceful outlook. Time to get the feasibility out and crunch the numbers, it is looking good.

Options are limited only to your imagination so this one of a kind offering is worth a look.
