A RARE BEACHSIDE LAND OFFERING IN SAFETY BEACH

Secure your place on the beachside of Woolgoolga with this generous approx. 801m² parcel of land, offering an outstanding opportunity to design and build your dream coastal home.

Positioned in a quiet pocket of Safety Beach, the block enjoys a desirable north-facing aspect, with the potential for elevated views toward the 10th fairway of the Woolgoolga Golf Course from a second level. This is a location that naturally blends relaxed coastal living with everyday convenience.

Wake up and walk to the beach, spend afternoons on the golf course, and enjoy the simplicity of having everything within easy reach. Whether it's a morning swim, a round of golf, or a coffee in town, this position makes it all effortless.

The block itself is well-proportioned with a practical layout and excellent street frontage, making it ideal for a range of home designs. It's a blank canvas in a tightly held area where quality homes and lifestyle go hand in hand.

Conveniently located within easy walking distance to local amenities, you'll enjoy quick access to the Woolgoolga Golf Club (approx. 240m), Safety Beach just a short stroll away (approx. 650m), and nearby schools, sporting fields and the vibrant Woolgoolga town centre. A local playground just down the road provides space for younger children, while a half basketball court caters for the older ones.

Large, level blocks on the beachside of Woolgoolga are becoming increasingly difficult to find, particularly parcels that are well positioned and ready to build on. With the neighbouring block recently sold, opportunities like this are becoming scarce.

This is a rare chance to secure a substantial beachside parcel in one of the Northern Beaches' most desirable coastal pockets.
