ELEVATED, FULLY RENOVATED WITH VIEWS & FLEXIBLE LIVING OPTIONS

Storybook charm meets stylish modern living in this meticulously renovated quality home. Capturing beautiful breezes, and set in a desirable elevated position, you'll love the ease of having shops, schools and everyday essentials just minutes from your door.

Dusky blue weatherboard, a white picket fence and glossy green foliage border the path to the verandah setting the tone for this enchanting home. Inside, high ornate ceilings, warm timber floors and a working fireplace hold the romance of another era - yet everything has been carefully reimagined for modern life.

The renovation here has been considered. Fixtures and finishes have been selected to complement the home's character while delivering quiet luxury: a stylish kitchen, bathroom with underfloor heating and vanity sensor lighting, and ducted air conditioning throughout. Luxurious walk-in robes and wool carpet feature in the two generous upstairs bedrooms, while downstairs unfolds into a fully self-contained space with another two bedrooms, second living room and a contemporary bathroom - perfect for extended family or a professional area with private access.

Positioned in a quiet street out of flood, with views across East Lismore, and within a kilometre from St Vincent's Hospital, university, schools and local shopping precinct, this is a residence that balances charm with practicality, and beauty with purpose.
