WHAT A FIND IN BROOLOO!

What a find in Brooloo. A fully landscaped half acre block with a brand new 2 bedroom cottage that enjoys a sensational northerly view from its elevated spot!

A central driveway, through the landscaped grounds, leads to a carport between the cottage and granny flat. If you think the view from here is good, wait till you settle down on the front veranda. The veranda is 3 metres wide and runs the full length of the home. A fantastic extension to the cottage! The cottage is steel framed and Colorbond clad. Almost zero maintenance!

When you step inside you enter an open plan home featuring a vaulted ceiling and floating timber floors. Extras, this has them all ... it is totally insulated, it has air conditioning and a state of the art kitchen. The kitchen has a gas cooktop, double draw dishwasher, a pantry and soft close doors and draws. Both bedrooms have built in robes, the spacious bathroom includes an open shower & separate toilet and there is plenty of storage.

Separated from the cottage by a carport, the granny flat provides space for:

- * Accommodation for an extended family member,
- * Excellent guest accommodation,
- * A home office, or
- * A hobby / craft / workshop area.
