THE HOUSE WITH THE LOT

Experience the perfect blend of modern design, quality craftsmanship and exceptional functionality in this stunning 4-bedroom, 2-bathroom residence. Built with a combination of reverse brick veneer, Colorbond and weatherboard, the home showcases a striking contemporary aesthetic with premium finishes throughout. At the heart of the home is a true chef's kitchen featuring 900mm Fisher & Paykel appliances, stone benchtops and a spacious scullery with extensive storage. High 31c ceilings and wide-board engineered French oak flooring enhance the open-plan living spaces, creating a sense of luxury and warmth. With zoned Daikin ducted reverse air conditioning, an oversized alfresco with timber decking, advanced solar and battery system, and two substantial workshops, this property offers modern living where no expense has been spared in achieving a truly high-end finish.

4 bedrooms, 2 bathrooms

Designer kitchen with scullery

900mm Fisher & Paykel appliances

31c high ceilings to living areas

Engineered French oak flooring

Zoned Daikin ducted air conditioning

Solar system with 10kW battery

Large alfresco + dual workshops

The heart of the home is the impressive designer kitchen, thoughtfully created for those who truly enjoy cooking and entertaining. Featuring stone benchtops, overhead cabinetry and a huge number of drawers, the kitchen provides exceptional storage and workspace. A large scullery further enhances functionality while housing additional storage and preparation areas. Premium 900mm Fisher & Paykel appliances complete what can only be described as a true chef's kitchen, perfectly positioned to overlook the open-plan meals and family areas.

4 BED | 2 BATH | 2 CAR
