LOCK, LEAVE AND LIVE EASY WITH LIFT

The Perfect Downsizer's Dream

Tucked away at 32 Vale Street, this thoughtfully designed home delivers the ultimate low-maintenance lifestyle without compromise - ideal for those ready to simplify, secure their freedom, and enjoy life on their terms.

Secure Space for the Toys

Whether it's a campervan, boat, or both, this property has you covered. Generous off-street parking is complemented by protective bollards - giving you peace of mind that your prized possessions are safe and secure.

Built for Confidence

Solid brick and weatherboard construction paired with a fully fenced, easy-care section means you can lock up and leave with absolute ease.

Garage Goals Achieved

A spacious double internal-access garage offers incredible flexibility - featuring one extra-large bay with high stud, perfectly suited for a caravan, boat, or oversized vehicle.

Effortless Living Across Levels

A practical lift connects both floors, future-proofing the home and making everyday living seamless and accessible.

Light-Filled Living & Entertaining

Upstairs, open-plan living, dining, and kitchen spaces flow beautifully to a covered, north-facing deck - your go-to spot for relaxed entertaining all year round. The kitchen has stone benchtops and quality appliances, making meal prep a pleasure.

Private Master Retreat

Also positioned on the upper level, the master suite offers a peaceful haven complete with a generous bathroom and walk-in wardrobe - everything you need, right where you want it.

Flexible Living Downstairs

On the lower level, you'll find two additional bedrooms and a spacious bathroom with integrated laundry - perfect for guests, hobbies, or extended family.
