160 ACRES ON OFFER IN BAUPLE

This 160-acre (64.82 Hectare) parcel of land is located in a popular area just a few kilometres south east of Bauple. This block has a long frontage to a well-maintained council road and also has a gazetted road down another boundary. Mostly timbered this block has been used for grazing in the past and also timber harvesting. A seasonal gully runs through the middle of the block with another smaller gully also running into the land. There are areas of pasture improvement, plus dams and also some remaining stock fencing and evidence of an old set of stock yards and other improvements from a previous time.

Power is close to three boundaries of the block. This block would make for a great weekender, or a permanent place to live and would come up a treat with some further improvement.

Subdivision of the block maybe possible STCA with 40 acre lifestyle blocks bordering three sides of the property with state forestry on the other boundary.
