TIMELESS CHARACTER MEETS CONTEMPORARY EXCELLENCE

8 Creswell Place | Where Timeless Character Meets Contemporary Excellence

Positioned discreetly within a peaceful cul-de-sac and only moments from local schools, cafés, shops, and everyday conveniences, this exquisitely transformed 1970s residence is a masterclass in thoughtful renovation and modern family living.

Meticulously reimaged with an uncompromising commitment to quality, care, and craftsmanship, this substantial 150sqm home has undergone an extensive top-to-toe refurbishment, creating a residence that is as sophisticated as it is functional. Every detail has been carefully curated — from upgraded wiring and contemporary lighting to the beautifully appointed kitchen, luxurious bathroom, fresh interior and exterior paintwork, and refined finishes throughout.

From the moment you step through the front door, you are welcomed into an expansive open-plan living environment that effortlessly blends comfort with versatility. The generously proportioned lounge, dining, and kitchen domain offers multiple configuration options for families who value both connection and individual space.

At the heart of the home lies a stunning contemporary kitchen, complete with new appliances, abundant preparation space, and an inviting central hub ideal for entertaining or day-to-day family life.

Accommodation is equally impressive, featuring three bedrooms, a dedicated study for those working from home, a separate laundry, and multiple heat pumps strategically positioned throughout the home to ensure year-round comfort.

Stepping outside, the appeal continues. The newly established ready lawn creates an inviting outdoor canvas for children, pets, or future landscaping aspirations, while the parking capacity is exceptional — ideal for growing families, extra vehicles, recreational toys, trailers, or guests.
