Currently undergoing a complete high-end transformation, Apartment 1506 at the iconic Sierra Grand is being thoughtfully renovated to deliver a sophisticated coastal lifestyle experience unlike anything currently available in the building.

Positioned on the 15th floor with breathtaking uninterrupted ocean views, this beautifully reimagined three-bedroom residence is being upgraded throughout with premium finishes, brand-new furnishings, and elegant modern styling designed to elevate everyday living.

The existing carpets have been completely removed and replaced with high-quality timber flooring throughout, instantly enhancing the warmth, luxury, and overall feel of the apartment. In addition, both the kitchen and bathrooms are being fully renovated with contemporary finishes, brand-new cabinetry, upgraded fixtures and fittings, and an entirely refreshed coastal aesthetic.

To further elevate the apartment, the owners have also installed brand-new appliances throughout, together with new bright modern lighting designed to enhance the natural light and overall ambience of the residence. Every detail is being carefully considered to create a luxurious, fresh and welcoming home for the future tenants.

Complementing the renovation will be an entirely new, carefully selected high-end furniture and décor package, offering tenants a beautifully curated home ready to enjoy from day one.

The spacious open-plan design flows seamlessly from the newly renovated kitchen through to the expansive living and dining areas, all framed by floor-to-ceiling glass capturing spectacular ocean views and an abundance of natural light.
