## MODERN HOME ON 5.5 ACRES - PRICED ACCORDINGLY

If you've been waiting for a genuine value-add opportunity, this one is definitely worth a look.

Additional photos will be added in the coming weeks. Viewings will be possible from mid-May.

Built by Dixon Homes in 2020, this is a solid brick home with good bones, set on approximately 5.5 acres (2.24 hectares) in the peaceful area of Wattle Camp, just 15 minutes from Kingaroy. The structure itself is modern and well designed, however the home will benefit from a refurbishment.

For the right buyer, this presents a chance to secure a modern home to add personal touches to.

The home includes three bedrooms and two bathrooms, with the main featuring an ensuite. The kitchen is modern with a good pantry and space for larger fridges. A solar system is installed, along with an electric hot water system and Taylex treatment plant.

The block is fully fenced and gently sloping, with a good mix of open space and established ironbark trees. There is a dam at the front of the property, and regular sightings of local wildlife including deer, koalas and possums.

The location is quiet with good neighbours, offering a peaceful rural setting while still being close to town.

This property is being sold as is, and buyers should expect some work needs to be done to enhance the liveability of the house. Opportunities like this don't come up often, especially with a modern build already in place.
