

FOR SALE

IF YOU SNOOZE, YOU LOSE!

Welcome to Belfast – one of Christchurch City’s newest and fastest-growing residential communities. Located just 15 minutes from the city centre and only 9km from the CBD, Belfast offers the perfect balance of relaxed living and everyday convenience.

Set in a sunny, well-established pocket of Belfast, this exciting subdivision is attracting strong interest from families, first-home buyers, and investors alike. Residents enjoy a true neighbourhood feel with fantastic local amenities including a supermarket, pharmacy, and two nearby schools – all just minutes from home. Future developments such as a medical centre, retail village, and retirement village will further enhance the area’s appeal.

Shopping and everyday essentials are close at hand with major retailers including Harvey Norman, Repco, Smiths City, VTNZ, and Panda Mart nearby. Northwood Supa Centre and Northlands Mall are also just a short drive away, offering extensive retail and dining options. Families are well catered for with access to quality schooling options including Belfast School, Allenvale School, St Bede’s College, Marian College, and several other respected schools in the wider area.

Outdoor lifestyle is a big part of living here. Enjoy nearby recreation at Styx Mill Conservation Reserve, Clearwater Resort, and Sheldon Park’s multisport facilities. The subdivision itself also features purpose-built playgrounds, creating great spaces for families to relax and connect.

This development is brought to you by Infinity Investment Group, a Wanaka-based property developer known for delivering high-quality residential and commercial projects across the South Island.

With the Northern Arterial and Main North Road providing easy access to the city and Christchurch International Airport less than 15km away, location and convenience are hard to beat.

Sections are limited and selling fast. Contact Anshul today for the latest availability and pricing – and secure your place in one of Christchurch’s most sought-after new communities.
