THE RESIDENCE AND LAYOUT
Offering 170 square metres of meticulously planned internal floor space, the home provides an abundance of room to live, work, and entertain. See floorplan, for a comprehensive view of the layout and room dimensions.

The thoughtful two-storey design separates the primary living zones from the majority of the sleeping quarters. The ground floor features a spacious front living room , alongside a well-appointed central kitchen equipped with a dishwasher and an abundance of storage. A rear family/games room (rumpus) serves as a second lounge, perfect for teenagers or relaxed entertaining. Two lower-level bedrooms (Bedrooms 5 and 6) and a study(Storeroom) offer excellent flexibility for guest accommodation or remote work, complemented by a full bathroom & laundry.

Upstairs, the accommodation comprises four generously scaled bedrooms. The master suite (Bedroom 1) is a private retreat complete with and an exclusive ensuite. The remaining upper-level bedrooms share access to a convenient water closet, ensuring smooth morning routines for large families, rounding out the home's three total bathrooms.

Hybrid floorboards run throughout the home, which is fully equipped for modern connectivity with broadband internet and Pay TV access. Year-round comfort is absolutely guaranteed with an exhaustive suite of climate control options, including ducted heating and cooling, reverse-cycle split systems, and gas heating.
