## LAND-BANKING OPPORTUNITY – VACANT R2 ZONED LAND

Secure a 556m<sup>2</sup> (approx.) parcel of Low Density Residential (R2) zoned land in the well-known Wyee Paper Subdivision. This non-urban block presents an exciting opportunity for long-term investors and forward-thinking buyers looking to secure land in a growing and evolving area.

With no current building entitlement, this property is ideally suited for land-banking purposes while the surrounding region continues to develop. Any future use remains subject to council approval, making this an excellent opportunity for buyers seeking future potential in an increasingly scarce market.

Positioned in a peaceful natural setting, the property still enjoys close proximity to Wyee Train Station, local shops, schools, and major transport routes including the M1 motorway, offering convenient access both North and South. Large residential-zoned parcels like this are becoming increasingly difficult to secure, making this a smart addition to any investment portfolio.
