Imagine finishing work, kicking off your shoes, and heading straight out for an evening walk through the trails of Carmichael Reserve.

That's the lifestyle that makes Brookfield so sought after. Surrounded by green spaces, local walkways, and a welcoming community, it's a place where days feel a little more relaxed and weekends are spent outdoors.

Positioned to capture a beautiful western outlook, this thoughtfully updated home is ready for its next chapter. Fresh paint, brand-new carpet, and contemporary finishes create a warm and inviting atmosphere from the moment you step inside.

The open-plan living and dining area is where everyday life unfolds, whether it's sharing meals with family, catching up with friends, or opening the doors to enjoy the connection with the backyard.

The kitchen combines style and practicality, offering a modern space to prepare everything from busy weekday breakfasts to weekend entertaining.

With a bedroom and powder room on the lower level, there's flexibility for guests, teenagers, or those wanting extra separation. Upstairs,
