ESCAPE TO NATURE – 5 ACRES OF PRIVACY, POTENTIAL & ENDLESS POSSIBILITIES

Set amongst five acres of peaceful Australian bushland, this unique Bloomsbury retreat offers the opportunity to slow down, reconnect with nature and bring your dreams to life.

From the moment you arrive, you'll feel a world away from the hustle and bustle. Kangaroos wander through the property, native birds provide the soundtrack to your day, and at night, the stars take centre stage – best enjoyed from the outdoor shower under the open sky.

The heart of the property is a warm and welcoming "Shouse" featuring one bedroom, toilet and vanity facilities, along with a beautiful open-air kitchen, living and dining space. Full of charm and character, it creates the perfect gathering place for family and friends and inspires visions of a communal camp kitchen for a future glamping or Hipcamp-style retreat (subject to council approval).

Adding to the appeal is a separate donga bedroom and a caravan currently being renovated, offering further possibilities for guest accommodation or extra space. A fire pit invites evenings spent around the flames sharing stories, while the expansive grounds provide plenty of room for caravans, campervans and tents.

The current owner has lovingly created low-maintenance, drought-tolerant gardens and productive veggie beds, allowing you to embrace a simpler, more sustainable lifestyle.

Whether you're dreaming of creating a boutique eco-retreat, establishing a Hipcamp or Airbnb-style destination (subject to council approval), generating income from day one, or simply enjoying a tranquil and private escape to call your own, this property offers the rare chance to turn imagination into reality.

A property unlike any other, where the possibilities are limited only by your vision.

Please note that buyers should make their own enquiries regarding council approvals. The existing "Shouse" structure is not council approved.
