"LONGVIEW HOMESTEAD"

SOLD!

Welcome to Longview,

"Where the sunsets linger, the shed is never full, and there's always room for one more around the bar."

A farmhouse sanctuary where wide-open skies, rolling valley views and a touch of Yellowstone-inspired charm create the ultimate country lifestyle.

Set on just under 1 acre in the heart of the Tweed Valley, this versatile property offers far more than a home — it's a place to gather, build, entertain and breathe.

At the heart of the property lies an extraordinary outdoor entertaining precinct. Reminiscent of a Montana ranch retreat, the expansive covered bar and dining pavilion invites long lunches, sunset drinks and unforgettable celebrations beneath the stars. With sweeping rural views stretching towards Mt Warning and beyond, every gathering feels like a special occasion.

For those who dream of space for toys, tools and projects, you'll be hard-pressed to find a better setup. Multiple parking options accommodate everything from caravans and boats to trailers and work vehicles, while the substantial shed and workshop spaces provide ample room for hobbies, equipment and storage.

Inside, the residence combines country warmth with modern comfort, while downstairs a fully self-contained studio offers endless flexibility — ideal for extended family, guests, a home business, creative retreat or additional income potential.

Whether you're hosting family football matches on the lawn, tinkering in the shed, entertaining mates at the bar or simply soaking in the valley sunsets, this is a property designed for living life well.

The Homestead isn't just a home. It's practical and welcoming — where country freedom meets
