LOW MAINTENANCE AND CENTRAL LOCATION

Whether you're seeking a family home, an affordable country retreat, or a low-maintenance investment opportunity, this property is sure to impress. Set on a large 1600m² fully fenced block, this spacious brick three-bedroom home is neat, comfortable and surrounded by lovely views of the hills and hinterland. Filled with natural light, the home has recently undergone a transformation with a new kitchen, freshly painted walls throughout, new carpet, new window furnishings and an upgraded bathroom.

The open plan kitchen and living area benefits from a large entertaining deck area which extends off the dining. The large living room features a wood heater to keep things cosy during the winter months. Sit back and relax on the deck whilst overlooking the children and pets playing. All bedrooms are a good size with the main having built in robes.

Outside you will find green houses for the green thumb, chicken coop to house the chickens to collect the eggs and no shortage of undercover parking for all the toys. A separate double garage, a garden shed and fully fenced land add to the practicality of the property. This is a great option for families or anyone looking for a quiet country escape with plenty of space to enjoy and an added bonus being low maintenance.

Tucked away in a quiet location yet conveniently positioned just over an hour to Launceston and approximately 40 minutes to Tasmania's stunning East Coast, this property offers the best of both worlds.
