COUNTRY CHARM WITH A VIEW

Wake up to the rolling hills of York and the quiet presence of Mount Bakewell framing your back fence. Set on just under an acre with a north-facing rear outlook, this 2017-built Ross Squire home offers the kind of space and stillness that's hard to find — room to breathe, a garden to grow into, and verandahs made for slow weekend mornings with a coffee in hand.

You're only 3km from the heart of York, with its cafés, history and country character, and an easy stroll down to the Avon River. Yet the city is never far: just over an hour to Midland and around 1.5 hours to Perth. It's the best of both worlds — genuine country charm and tranquillity, without giving up the conveniences of town. For families putting down roots, this is a lifestyle you don't have to wait for retirement to enjoy.
