ART DECO ORIGINS, BOUNDLESS POTENTIAL IN PRIME ALPHINGTON

Live In, Renovate, or Build - Three Bedroom Plus Study, Two Bathroom & Two Car Alphington Home!

Set securely behind a classic rendered facade with striking geometric Inter-war brick detailing, 43 Keith Street offers an exceptionally rare opportunity in one of Alphington's most tightly held pockets. Whether you are seeking a highly liveable period home to renovate or the ideal premium site (591.14m2) to build a large-scale designer residence or development (STCA), this property delivers on all fronts.

The original home retains stunning period details, including polished hardwood floors, classic picture rails, and breathtakingly ornate geometric plasterwork on the ceiling (1920-1930s). A substantial 1990s rear extension provides generous space, seamlessly expanding the home to include a functional central kitchen, a dedicated dining area, and a casual meals space.

Currently, the home is exceptionally comfortable and liveable, with three well-sized bedrooms, a dedicated study, and a rear deck overlooking the paved, low-maintenance grounds. Complete with modern efficiencies, including ducted heating and cooling and roof-mounted solar panels, it serves as an ideal holding property while you plan your next move.

Bring your architect and your imagination—this is a phenomenal canvas, ready for a contemporary renovation or a complete transformation into a luxury inner-north masterpiece.
