Opposite tree studded reserve and standing proud on an elevated 839 sqm block, this stately home offers a family lifestyle with high ceilings throughout and an architectural edge. With definite street presence, this spacious home features four bedrooms, a home office, 3.5 bathrooms, multiple indoor living areas (lounge / media room, family & dining areas, rumpus) and lovely outdoor spaces (entertaining deck, alfresco and private in-ground pool). Next, through double doors for privacy and noise control, is the spacious step-down lounge / media room with 2.86 metre ceilings and featuring a convenient storage area. Then continue into the focus area of the home, where you'll enjoy entertaining in the stunning kitchen, which overlooks open plan, air-conditioned family and dining areas and the deck. These areas boast beautiful hardwood floors, a dramatic raked ceiling, ample natural light, lovely northerly breezes and elevated views across the suburb. Abundant windows and wide glass sliding doors onto the elevated entertaining deck allow the leafy outlook, loads of natural light, winter sun and summer breezes to permeate through.

The classy, renovated kitchen features crisp white stone benchtops and cabinetry, beautifully complemented by a white subway tile splashback that wraps around the kitchen. Central is the island bench which offers more drawer and cupboard storage, bench preparation or serving space and a breakfast bar.
