There's so much joy on offer in this home- it exudes it right from the start as you stroll up the tree lined entranceway, you feel like you're home already.

The stunning modern design created by Inhaus builders in 2014 is every bit as delightful as it was on day one. The raked high stud ceiling through the open plan living area creates a real sense of space and light and the indoor outdoor flow out to entertaining spaces on both sides of the home is superb.

Three double bedrooms, full double glazing throughout and a separate laundry are all must haves in your new home and the ability to park a caravan or boat to the side of the home is a real bonus.

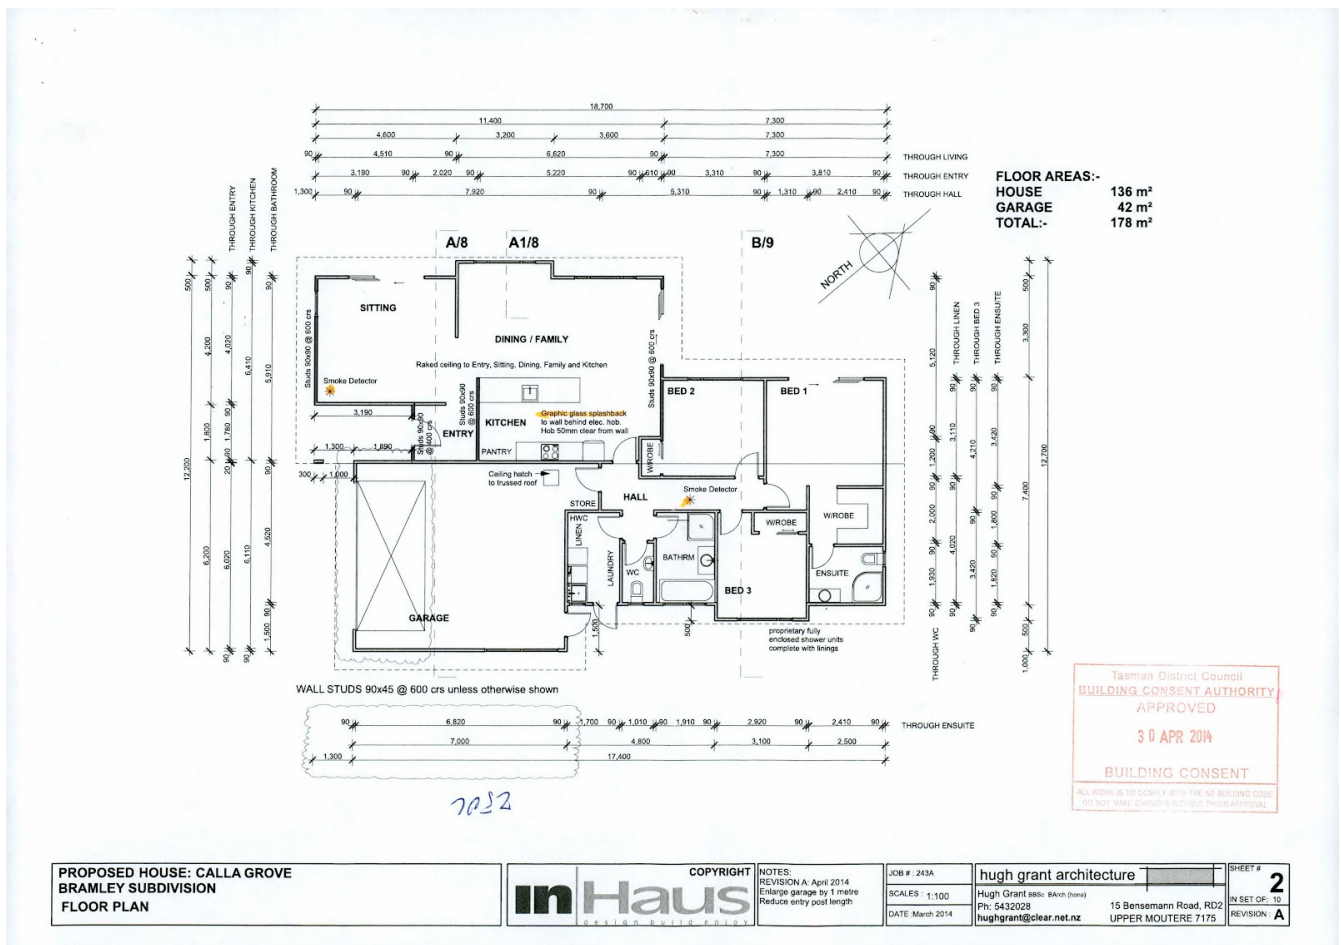

Beautifully landscaped to create an easy care, private oasis, the section enhances the homely feel and the superb location in a quiet cul-de-sac where neighbours become friends adds a value that money simply can't buy. Lovingly owned since day 1, our vendor is sad to be
