Positioned in the heart of Labrador, this home puts one of the Gold Coast's most established waterfront suburbs right at your doorstep. Sitting on the Broadwater just north of Southport, Labrador is popular for its calm waters, peaceful parks and views across to South Stradbroke Island — ideal for swimming, kayaking, fishing and paddling in safe, still water. The Broadwater Parklands is a favourite for picnics, barbecues and family outings, with playgrounds, walking and cycling trails and open water views, all just moments away. Queensland Gold Coast Everyday convenience is well covered, with local shops and major supermarkets within walking distance or a short drive, and larger centres including Harbour Town at Biggera Waters and Australia Fair at Southport only about five minutes away. Dining options line Marine Parade, from fresh seafood eateries and the famous Charis Seafood to relaxed waterfront cafés and bars. Medical services, the Gold Coast University Hospital and regular bus links to Southport, Surfers Paradise and beyond are all close at hand, making this a genuinely convenient base for families, professionals and downsizers alike.
