SPACIOUS FAMILY LIVING WITH A GARDEN LOVER'S DREAM

Nestled in the heart of sought-after Richmond, this beautifully presented home offers the perfect blend of comfort, functionality, and outdoor living.

Boasting three generous bedrooms, the master suite is a true retreat, complete with a stylish ensuite and a walk-in wardrobe. The remaining bedrooms are well-sized and ideal for family living, guests, or a home office.

The heart of the home is the light-filled, open plan living area, designed for modern living and effortless entertaining. The spacious layout flows seamlessly to a highly functional kitchen, featuring an island bench that's perfect for casual dining, family gatherings, or entertaining while preparing meals.

Step outside and you'll discover a true outdoor haven. The expansive deck with a large pergola with adjustable vents and side blinds makes this a year round perfect space for summer barbecues and relaxed evenings, while the established garden is a standout feature. Enjoy a variety of fruit trees and berry bushes, raised garden beds for your own produce, and a large garden shed for all your tools and storage needs.

The fully fenced backyard offers peace of mind for families with children and pets, creating a safe and secure environment to enjoy.

Completing the package is a double garage, along with convenient drive-on access down the side of the house leading to a generous rear parking area—ideal for extra vehicles, a boat, or a camper.

This is a fantastic opportunity to secure a well-rounded property in a popular location. Don't miss your chance to make it your own.
