ONLY 5 YEARS OLD – MODERN, SPACIOUS & MOVE-IN READY

Built only five years ago and beautifully presented, 80 Leggett Crescent, Oonoonba offers the perfect combination of modern living, generous proportions and an easy, low-maintenance lifestyle in The Village.

Step inside and you'll immediately appreciate the sense of space.

At the heart of the home is a generous open-plan kitchen, living and dining area designed for relaxed everyday living. The modern kitchen offers excellent bench and storage space, a large island bench and an easy connection to both the indoor and outdoor living areas.

The main bedroom is a standout — exceptionally generous in size, with a walk-in robe and spacious private ensuite. Two additional bedrooms, a second bathroom and separate laundry complete the practical layout.

Outside, the covered entertaining area provides a lovely extension of the living space, overlooking a private, easy-care backyard with room for children, pets or simply somewhere to sit back and enjoy.

With solar power, air conditioning, a single lock-up garage and a home that's only five years old, there's very little to do here other than move in and make it your own.
