PRIME LAND OPPORTUNITY | 486M² & 496M² ALLOTMENTS READY TO BUILD

Positioned in an established, family-friendly pocket of Thornlands, these two newly subdivided allotments offer a rare blank canvas to design and build your ideal coastal-suburban home.

Both blocks are cleared, benched, and retained, significantly reducing your site prep and preliminary build costs. Whether you are looking to build a modern low-set family home or a spacious double-storey residence, each lot provides generous dimensions and street presence in a quiet, low-traffic street.

Lot Options Available:

Lot 1: 486m² – Level, fully prepared building pad with excellent frontage.

Lot 2: 496m² – Generous dimensions, retained, and ready for your chosen builder.

Option to purchase individually or explore combined opportunities.

Location & Lifestyle Highlights:

Minutes to Victoria Point Shopping Centre, Lakeside dining, and Cleveland CBD.

Easy access to top local schools, including Carmel College, Thornlands State School, and Sheldon College.

Moments from Moreton Bay boat ramps, coastal walking tracks, and parklands.

Established neighbourhood surrounded by quality existing homes.

Opportunities to secure flat, ready-to-build land in central Redlands pockets are increasingly scarce. Contact Grant today to discuss plans, site dimensions, or to arrange an on-site inspection.
