PRETTY, PRIVATE AND PEACEFUL

Retirement living on your mind but you never found those pokey cabins very appealing and you don't want to spend a bucket. Well I may just have the answer; here it is a 2-bedroom Queenslander style home in the iconic Maroochy River park right here on the beautiful sunshine coast.

From the moment your drive around the bend at the rear of the park your eye will be drawn to the largest home in the park. Up your front stairs you walk across your deck to your led light front door, once inside you are greeted by a spacious light filled lounge room with very high ceilings to capture those summer breezes, the large kitchen with breakfast bar will have you cooking up a storm while still being able to interact with family and friends in the separate dining room, There is all new timber look flooring in the kitchen/lounge dining rooms.

Down the hall way there is two good-sized bedrooms both with built ins and the master has sliding doors out to the wrap around verandahs. Your large bathroom is located just off the master with a bath and a shower a large vanity and storage for linen, there is a separate toilet and laundry with another linen press.

This home offers so much in a convenient location; you are a stones throw from cafes and shops, beaches and river walks. This is a well-managed park that has no rentals; this is for permanent over 55s living only. My last listing in Maroochy Park was on the market for only 14 days don't miss out.
