1950'S HOME IN NEED OF MAJOR TLC

If you're looking for a project and have the skills to bring a property back to life, this could be the opportunity you've been waiting for.

This original 1950s home is definitely a do-up, and it needs a lot of work, including a new roof. But with some vision, time and plenty of elbow grease, there is potential here to create a comfortable home or worthwhile investment.

The home offers three bedrooms, one bathroom, separate lounge and a kitchen/dining area, with the original 1950s character still evident.

Outside, there is a good-sized section, while underneath the home is a basement garage and large workshop — ideal for a tradie, hobbyist or anyone needing plenty of storage and workspace.

Situated beside a park, the property also enjoys an appealing outlook and a convenient setting.

This is not a property for someone looking for a turn-key home — it's an opportunity for someone who can see the potential and is prepared to roll up their sleeves.

Bring your tools, your ideas and your renovation skills — this one is ready for a new lease of life. Deadline closes 28th October 2026 (unless sold prior)
