COASTAL QUEENSLANDER CHARM

This immaculate home lives & breathes the Queensland lifestyle of yester year. Lead lighting, brass fittings, polished timber floors, decorative fret work above the doorways, 13ft ceilings with a massive rear deck and full length verandah to watch those beautiful sunsets from.

With too many fabulous details to mention you will have to short list this one, it truly is well worth the look. On a 607m2 fully fenced block with a quaint back yard to make your own, with plenty of storage under the house and a workshop for the avid hobbyist or fisherman, this home will cover it all.

Set up high above the neighbours, you will catch all the bay breezes through the delightful French doors plus only a short walk from the esplanade you couldn't ask for anything more really!
