THE HIGH END OF TOWN!

Bundy Rd is on the edge of Imbil, between the village and the forest. 29 Bundy Rd is elevated with a north east view over the village and beyond! It is on the high end of town.

You arrive, via a sealed road and driveway, to an immaculately presented homestead on 4 private acres. The home is framed at the front by green lawns and edged gardens and its elevated position offers extensive views. There is a double garage beside the home and easy level access to the veranda. The veranda is fantastic and while it is at ground level at the front, it is a couple of storeys high at the rear. The views are special and there will always be a breeze!

You enter a wide entry foyer, via double doors, and go through to a fully tiled, open plan living area. The kitchen, separated from the living area by a breakfast bar, has heaps of bench space, electric cooking and good storage that includes a walk-in pantry. Living areas have brightly painted feature walls, air conditioning and excellent views. The main bedroom, separated from the other two, is air conditioned, has a large walk-in-robe and en-suite. The second bedroom has direct access to the main bathroom. Every bedroom has sliding door access to the veranda.

Stairs from the veranda lead to a pool with a sun deck, surrounded by tropical plants, and then on to a 5 bay garage. At approximately 15m X 7m, this shed will cater for all your workshop and storage needs.

Imbil is in MARY VALLEY COUNTRY, 30 minutes from Gympie and 45 minutes from the coast at Noosa. It has easy access to the up-graded highway and is 2 hours from the centre of Brisbane.
