If you've been searching for a beautifully renovated family home where all the hard work has already been done, look no further.

Positioned on a generous 967m² block in a quiet and highly sought-after street, this impressive four-bedroom home combines contemporary style, spacious living and exceptional outdoor versatility.

Step inside and you're welcomed by a light-filled, open-plan living space designed to bring everyone together. An abundance of natural light creates a bright and inviting atmosphere, while a separate cosy living area provides the perfect place to unwind, settle in and enjoy your favourite shows.

At the heart of the home is the stunning gourmet kitchen. Centrally positioned and beautifully appointed, it forms the natural hub of the home—ideal for everything from busy family mornings to entertaining friends on the weekend.

The brand-new master suite is a standout, complete with a generous walk-in robe, stylish ensuite and sliding glass doors opening directly onto a private deck. It's a peaceful retreat and the perfect place to enjoy your morning coffee.

Three additional bedrooms are all generously proportioned, with plenty of space to comfortably accommodate queen-size beds, making this an ideal home for growing families.

Outdoor living is equally impressive. A second deck on the southern side of the home provides a fantastic setting for relaxed afternoons, weekend barbecues and catching up with family and friends, while the established, shady rear yard offers plenty of room to enjoy.

Adding even more flexibility is the double lock-up garage, which could easily double as a games room, workshop or teenage retreat. The front of the property has been fully fenced, with swing gates which allows vehicles, trailers and other toys to access the rear of the property with ease. This also allows pets to have the run of the property if required and adding excellent privacy and maximising the total usage of the outdoor area.
