

Lifestyle View of Area

FOR SALE

ONCE YOU TAKE A LOOK, YOU WON'T WANT TO LEAVE.

Set in the picturesque Bunya Mountains these two block could be the start of something big. Once driving into the area you immediately stop, relax and feel less stressed than you have been in a long time. With a friendly atmosphere and lots of things to do this ,this would suit not only as a retreat but for a long term investment. Imagine building a home and have weekends away from the hustle and bustle and ready to recharge for work. For a smart investor , a small home on these blocks could rent out for \$100 per night for holidays and even a better return for longer returns. (note these are based on comparable place in the area). People come to the area for bushwalking, learn more about the area and escaping the warm weather ,being in a rainforest the temperatures are very stable and cool. Sound like you , want that bolt hold on a great piece of land ? This would be the cheapest blocks in the area and certain to increase in price over time. Ring Luke or Robbie today to find out more info on this fantastic deal. Owners needs have now changed and must sell so make an offer today! PS want details of a great house and land package ? ring to discuss.
