5 ACRES OF PRIVATE SANCTUARY SOLD

Enjoy the space around you - 5 acres of level usable land just waiting for a home and family. Room to move and grow, room for animals, gardens, boys toys and all the things that bring enjoyment in life.

Selectively cleared for building, the owners have left some natural flora which provides both privacy and habitat for the local wildlife. A gravel road has been laid along one boundary for easy access and the property is already partially fenced. This is a great level block for building surrounded by other acreage properties and bushland. Some of the work is already done with drainage completed and water already installed - power is just a phone call away.
