CALLING ALL RENOVATORS!! - BRICK HOME WITH TWO SHEDS + 2320M2 LAND - PRICE REDUCTION!

This is an opportunity not to be missed!! This is a two bedrooms brick and tile home that is in desperate need of some TLC - hence the price!! The home comprises two bedrooms, small kitchen, bathroom and laundry all in need of renovation. There is a wood burning stove in the living/dining area. There are solar panels on the roof saving you \$\$\$\$. The land itself is absolutely superb - a massive 2320m2 located just a short drive to the Cooloola Shopping Village. There is a double shed close to the house and further back another high shed which could house a large boat or a caravan (or more cars!!). There are also two entrances to the property. This really is an opportunity not to be missed for the handyman or first home buyers looking for a property to do up at a budget price. For your personal viewing call Janet Young anytime!!!
