IT'S EASY TO SEE YOURSELF BUILDING HERE...

It's all happening in Kingaroy Gardens Estate. In the last few weeks 4 blocks have gone under contract, with people coming to the realization that these blocks are the best blocks in Kingaroy for both value for money and location.

Lot 40 in Kingaroy Gardens is fresh to the market, it measures 1288m² with a 20 meter frontage slight incline from the front to the rear.

This block also has great views and an elevated position which is perfect if you are into gardening.

The location of the block is perfect with its close proximity to St Mary's private School, hospital, shops and local pubs & clubs.

So why not come and sample the new lifestyle that could soon be yours. Give Troy Schultz a call today to arrange a viewing and more info on this great block. Ph 0422 225 135.
